CAPABILITY STATEMENT

CADMUS
project management

COMPANY OVERVIEW

Cadmus is a **DVBE/SDVOSB** and **CMAS-awarded** project management vendor supporting California public-sector organizations. Led by a **PMP-certified** project manager, the firm provides leadership, communication, and operational support across modernization efforts and ongoing programs. Services emphasize PMBOK-aligned practices.

CORE COMPETENCIES

- PMO support and project oversight
- Schedule, risk, and issue management
- Roadmap planning, deliverable tracking
- Cross-functional alignment
- Stakeholder communication
- Vendor and partner coordination
- Workflow documentation
- Governance and reporting
- Process optimization for steady-state operations

PAST PERFORMANCE

Enterprise Program & Project Management – Eight years supporting large public-sector modernization programs, leading schedule management, deliverable tracking, cross-functional coordination, and PMO operations for complex, multi-year initiatives.

DIFFERENTIATORS

- DVBE/SB Micro/SDVOSB-certified and CMAS-awarded
- PMP-certified leadership
- Agile, low-friction support model
- Direct experience with California enterprise programs
- Strong communication and risk-driven PM approach
